O R D E R

On January 18, 1996, the Commission ordered the City of Franklin to supplement its Complaint to comply with the requirements of 807 KAR 5:001, Section 10, within 60 days. The Commission advised the City of Franklin that failure to perform this action would result in the dismissal of its Complaint.

As of the date of this Order, the City of Franklin has not supplemented its Complaint nor has it requested an extension of time in which to comply with the January 18, 1996 Order. Accordingly, the City of Franklin's Complaint should be dismissed.

On a related matter, Simpson County Water District has advised the Commission that the City of Franklin has failed to pay the amounts ordered in the Commission's Order of February 23, 1996. It has petitioned the Commission to compel the City of Franklin to immediately comply with that Order. As the Commission has already instructed its General Counsel to take all necessary actions to enforce this Order, Simpson County Water District's petition is moot.

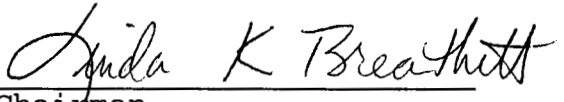

IT IS THEREFORE ORDERED that:

1. The City of Franklin's Complaint is dismissed with prejudice.

2. Simpson County Water District's Petition to Compel Compliance is moot.

Done at Frankfort, Kentucky, this 10th day of April, 1996.
